Braintree Camera Club Internal Competitions

Six League Competition evenings are held throughout the year:

- A. **Monochrome Prints:** The Braintree & Witham Times Cup
- B. **Colour Prints:** The Halifax Trophy
- C. **Projected Digital Images:** The Cameron Cup

On each league competition evening up to three photos can be entered in each section A, B and C. All scores are recorded and the highest total of 12 scores determines the winner of each section at the end of the season. Sections B and C comprise one set subject and two open subject entries on each competition evening.

An evening is set aside for the following competitions:

- D. **Print of the Year:**
 - D1 **Monochrome Print - The Ingall Cup**
 - D2 **Colour Print - The Wright Trophy**
- E. **Projected Digital Image of the Year - The Williams Cup**

Up to three entries are allowed in each section. The judge will determine the best image in each category on the evening.

Another evening is set aside for the following competitions:

- F. **Rally Projected Image - Les Butcher Memorial Shield**
- G. **Rally Print - Rally Print Trophy (colour and/or monochrome)**

Up to four photos can be entered in each category; the highest score in each Category wins.

- H. **Panel of Six Projected Images - The Mitchell Trophy**

Six themed images with two identical composites of these six images (8 in each panel and 3 panels allowed) plus a 50 word statement explaining the reasoning behind each panel.

General

For all internal club print competitions the maximum mount size is 50x40 cm (20x16 in) with a maximum print of 40x30 cm (16x12 in). Entries should be labelled: PRINT TITLE_John Smith_cps, cpo or mpo.

Please note: Most external print competitions insist on a fixed 50x40 cm mount size.

For all projected image competitions (PDIs) entries should be sent by email to the competition compiler at least 48 hours prior to the competition. The format must be 768(H) x 1024(W) pixels using the sRGB colour format.

The title should be in the format: IMAGE TITLE_John Smith_pds or pdo

The current compiler is at davebarker365@gmail.com. If you have any problems, please email them to this address.
